

Community ART Project

Hello all!

We are gathering **art supplies** in honor of our upcoming Art Show on May 17th. Please help by donating an item from the list below. The supplies will be donated to other schools as a loving gesture of Bishop Leibold families. Donations will be accepted at both schools until May 17 and that evening at the PAC.

We will celebrate your kindnesses the evening of the Art Show and explain more about this fun and important project.
God Bless!
